

## **DEDICATION**

I dedicate this SIWES report to God Almighty for His divine intervention, making the entire program a resounding success. I am grateful to my incredible family and friends for their unwavering support and compassion throughout my SIWES journey.

Additionally, I extend my heartfelt dedication to my lecturers for their continuous impartation of knowledge. I would also like to express my deepest respect and gratitude to the staff of the Jordan 93.9FM FCT-Abuja for their invaluable guidance in overcoming challenges during my SIWES training.

Thank you all for your contributions.

To God be the glory.
